CAPC Mum Sale Order Form

All proceeds will go to the Erlene Sigmon Fund. Following her tragic death in 1979, Mrs. Sigmon's family and the Children's Protection Council started the "Erlene Sigmon Fund" to honor this long-time volunteer. This Fund is supervised by a Catawba County DSS Intake Specialist and enables child protective workers to respond to such emergencies as special medication for children, clothing, dental care, etc. that have no other source of funding.
